Per Beth (R6 Librarian) she told R9 Librarian to have requester submit a FOIA request.

If this request comes in as FOIA we will process.

Thanks.

Do you take this email and make it a "FOIA request" for tracking purposes and forward email and doc to Beth? to R9 library? Another process?

The Region 9 Library has a request for the memorandum listed below. Would you have a copy I could distribute their external client? Or should this be a FOIA request? Thank you.

Martin J J 1996 Memorandum: Request for a time-critical removal action and an exemption from the \$2 million statutory limit at the Westbank asbestos site Marrero, Jefferson Parish, Louisiana Dallas, Texas: US Environmental Protection Agency Region 6, 14 pages.
